Technical Trainer

KHS is a subsidiary of Salzgitter AG. As one of the world's leading manufacturers of filling and packaging systems for beverages and liquid food we are a world-class player. Our customers have trusted in our passionate pioneering spirit and first-class technologies for over 150 years. However, we can only remain world class if we continue to find new employees who make just as high demands of themselves and the quality of their work as our customers make of us at KHS. Are you one of them?

Location: Waukesha | Wisconsin | USA

Your Tasks

- The TT II conducts training for customers, KHS employees and international customers on operation, maintenance and electrical aspects of designated KHS equipment.
- Trains, mentors and supports KHS Field Service Technicians by defining training plans, and working side-by-side on some specific jobs.
